Broomhill Bank School is a residential school for **girls aged 9-19 who have educational and behavioural difficulties**. Volunteers assist the teachers in class and are assigned to a different group of girls (of all ages) who they help with a variety of activities including homework, games, environmental projects, outings, walks and swimming. They also assist the under-16 year olds with their daily routines, including meals, bedtime, laundry, personal hygiene etc.

Volunteers interested in care work, teaching, nursing or working with children with disabilities will find Broomhill Bank School a perfect placement. They will receive training, induction and support throughout the year. **Volunteers will need to be female, and should have a valid driving licence to use the available car to access the local area.**
